‘All the cabinetry in our new home is stunning and so functional it’s everything I wanted and more,’ says Pam Theodorou. ‘Consulting with George from Allcraft Cabinet Works was effortless. He listened to our wants and needs and produced the perfect results.’

Our bathrooms, laundry and kitchen are amazing and so practical, but the kitchen is my favourite room.’ Easily one of the largest kitchens in Humpty Doo, or possibly the Territory, the expansive open plan white and timber kitchen design blends perfectly with the rural surroundings beyond. The huge island bench is the heart. ‘It’s not just a great work area for me, it’s a gathering point for family and friends,’ adds Pam. ‘I love being in this kitchen and so does everyone else. George encapsulated everything I needed and more. The team at Allcraft Cabinet Works were a breeze to work with from start to finish. They embodied the Top End indoor/outdoor lifestyle and I’m so glad we had them on the job. The quality of materials, finishes, their professionalism throughout and on-time, on-budget completion — they exceeded all my expectations in creating my dream kitchen and other rooms.’ Allcraft Cabinet Works also specialise in wardrobes, bathroom vanities, home theatre unit, bench seating, bars, barbeque area and desks.
