

Australia's Top End is one of the world's most stunning natural wonders. Whether you want history, adventure, basic-to-luxury, sunset sailing, waterfalls, crocodiles, barramundi fishing, land or helicopter tours, or just something to do around Darwin, it's all available at Darwin Tours. DO IT IN DARWIN AND THE TOP END

Everyone enjoying the day at the Aviation Heritage Centre.

our staff can prepare your itinerary, including accommodation if required, to ensure you get the most from your stay and enjoy your holiday adventure.

'Darwin is the adventure capital and gateway to the Northern Territory's world-class natural and cultural attractions such as Litchfield National Park, Katherine Gorge, Kakadu and Arnhem Land,' says owner of Darwin Tours, Robert Marchant. 'We have a great range of tours from all inclusive half-day city sights to full-day adventures including jumping croc and a prawn and bubbles sunset, taking you to spots where the million dollar barra may be hiding, or one to 10-day packages.' Darwin Tours offer small group travel from one to 20 or even 100. All operators are local and independent, so you're assured of a unique and individual experience. 'There's so much to see and do it's a shame to see people miss out because they didn't book early enough or weren't aware of the distances involved,' adds Robert. 'That's why our staff can prepare your itinerary, including accommodation if required, to ensure you get the most from your stay and enjoy your holiday adventure.' So get along and see the crocs jumping, bathe under a waterfall, catch a barra, learn about Darwin's history, the war and cyclones, board that helicopter for a pub crawl around the Top End or chase that million dollar barra, or just relax on a harbour cruise and soak up the brilliant gold, orange and red sun as it sets. Get out there and we're sure you'll fall in love with Darwin and the Top End. Call the friendly team at Darwin Tours on 8981 0227, email info@darwintours.com.au or visit www.darwintours.com.au or drop into the shop at 50 Mitchell St Darwin City.
