# FRANKIE'S FOR FUN AND FOOD

You'll love the friendly staff.

Try the delicious thin crust pizzas baked on a stone.

'It's the perfect venue for any party — before, after or just join the Frankie's party,' said owners Ji and Alana Matthews, who also own multi-award-winning PM Eat and Drink across the road. Like all second children Frankie's is different, with a more casual, loud and relaxed feel, but it will still retain the quality and class that Ji and Alana have consistently produced for Darwinians and visiting tourists. 'Hailing from Milan and Venice our two chefs make all the pizza dough, pasta and bread on site every day from scratch,' said Alana. 'The pizzas are baked on stone by a real deal Italian pizzaiolo.' Naturally there's a lengthy Italian wine list to wash it all down. The venue's signature cocktail, Frankie's Sweet Heart matches the blush interior and is a pink take on the traditional Aperol Spritz with Limoncello and cranberry added. The pink neon lights and shiny disco ball hanging from the ceiling is indication enough that Frankie's lets loose on Friday and Saturday night. So get along and join the fun. **Frankie's Pizza Joint Paspalis Building, Raintree Park Darwin City. T: 7970 0799** Open Tues-Sat 12 till late.
