

One of the most colourful events on Darwin's exciting multicultural calendar celebrated 21 years in June with a party for all the senses – and all ages - to enjoy.

# INDIA@MINDIL

The 21st India@Mindil transformed Mindil Beach into a festive 'Little India' filled with a kaleidoscope of colour, music, dance and more. Topped off with a stunning Territory sunset, the event lured around 12,000 people to the popular spot. Local and interstate artistes provided hours of entertainment through dance, music and Bollywood performances and workshops, while 25 specialty stalls served up the best India has to offer, from its cuisine and culture. The Indian Cultural Society of NT (ICSNT) organises the event each year, and sincerely thanks the NT Government, which has generously supported India@Mindil since its inception. Many other sponsorships help make the festival a success, and corporate sponsorships reached an all-time high this year with Charles Darwin University, Saroukos Homes, NAB, Memories of India, Supreme Homes, LR Consulting Engineers and Cairns Industries all offering their support. ICSNT also thanks Dreamedia, MIX 104.9, NT News, Resident Magazine, Southern Cross, Coleman Printers and The Exhibitionist for their incredible support. **India@Mindil 2018 will take place on June 23.
