# THE SPECIALIST TEAM TAKING CARE OF TERRITORIANS

Established to meet the demand for a shortage of Doctors in the Northern Territory, NT Medical Specialist provides medical care to those needing it on a timely basis.

Raj Dhungana – Clinical Manager.

Dr Guru Iyngkaran - Gastroenterologist.

Natalie Elias – Admin and Sleep Technician.

The NT Medical Specialist team work with you to achieve the best results for your health and wellbeing. Each of their highly experienced, qualified practitioners perform to the highest safety, hygiene and quality standards of personalised care. 'Our team offer private consultations from our modern practice located in Wanguri,' said NT Medical Specialist Practice Manager Debra Senjuschenko. 'Our team of Medical Specialists are qualified, friendly doctors who are specialists in their unique fields and they'll guide patients through every step along the way. Patients feel safe and comfortable knowing they're working with a team that cares.' The medical team includes four Gastroenterologists, an Oncologist, two Sleep and Respiratory Physicians, two General Physicians, a Psychologist, a Nephrologist, an Endocrinologist, a Rheumatologist, a Paediatrician, a Dermatologist and a Dietician. 'We're also linked with the Royal Darwin Hospital, Darwin Private Hospital and the Darwin Day Surgery to ensure we can provide the highest levels of patient care,' adds Debra. 'Doctors Guru Iyngkaran, Dr Suresh Sivanesan and Edmund Tse are Gastroenterologists covering inflammatory bowel disease, cancer screening /surveillance, small bowel and liver disease. Together they set up the Gastroenterology Department at the Royal Darwin Hospital. 'Other doctors include Dr Narayan Karanth, for Oncology care. Dr Elio Gagliardo for cardiology, arrhythmology and rheumatology. Dr Robert Edwards specialises in Sleep medicine, COPD, Asthma, Lung Cancer and Bronchiectasis but is happy to provide services to all areas of Respiratory medicine 'Our other Respiratory and Sleep Disorders physician Dr Shalini Bastiampillai specialises in narcolepsy, circadian rhythm disorders and restless legs syndrome. 'Our Dermatologist, Dr Emma Hiscutt, looks after skin cancer, medical dermatology including connective tissue diseases and skin of colour. 'Our Darwin born and raised doctor is Dr Abu-Assi. He embarked on paediatric gastroenterology training, completing a PhD in the epidemiology of Australian children with inflammatory bowel disease. 'Our other specialist doctors offer so much. It's good that Territory patients rarely have to travel elsewhere these days,' Debra concludes. **For further information contact NT Medical Specialist 21 Vanderlin Drive Wanguri NT.
