'We custom design the shade structures, playground equipment and rubber impact-absorbing surface, from concept to completion we can do it all,' said owner, Michelle Batenburg. NT Shade recently upgraded the Smith Street Mall Playground for the City of Darwin. The intricate patterns in the Rubber Softfall and a Story Makers Castle make this playground unique. The two-level castle has a secret play space inside, the changing panels providing endless role-play and imaginative options. 'It's every under fives dream playground,' smiles Michelle. 'Northcrest Estate was another vast undertaking. We constructed it entirely in-house at NT Shade. The massive shade structure, playground and adult exercise equipment, including around 380 square metres of EDPM Rubber Softfall. This will be a great playground for the new residents of Northcrest.' NT Shade is locally owned and operated by Chris and Michelle Batenburg. Both born in Darwin, they love looking after Territorians. For further information visit NT Shade, 59 Reichardt Rd Winnellie NT. T: 8947 3787 E: michelle@ntshade.com.au chris@ntshade.com.au Open Mon-Fri 8am to 4.30pm.

The new playground area brings life to the Smith Street Mall adding more vibrancy to the City.

THE RUBBER SOFTFALL FLOORING PROTECTS THE FEET AND CAN BE DESIGNED IN MANY VIBRANT COLOURS.
