Located outbound on the Stuart Highway between Berrimah and Palmerston, Cellarbrations Superstore Pinelands not only has a colossal four-lane, high-access, drive-through bottle shop that fits your boat and trailer - there's also an enormous, state-of-the-art, air-conditioned retail store with loads of parking. Territory owned and operated, Cellarbrations Superstore is the most convenient liquor shopping experience in the NT.

Take your time to browse all the popular brands, more than 1500 Australian and international wines, 50 different gins, 150 whiskeys, a range of ciders, specialty liquor products, and an ever-changing diverse range of craft beers with funky names and even more creative labels. Choose from BrewDog's Dead Pony Club, Pina Colada Pineapple Coconut Punch beer, Trouble & Squeak, Otra Vez Lime & Agave from the USA Sierra Nevada range, India pale ale and more. Some of the more unique liqueurs on offer include a Pama Pomegranate spirit, great on its own or as a cocktail base, SexyCat, the world's first marshmallow liqueur created in Australia with a vodka base, and Esprit de Figue, the world's first true fig liqueur from France. 'We have the biggest and best range for all Territorians, even organic and preservative-free wines,' Manager Debbie Wilkins said. 'We understand every shopper's needs are different. If we haven't got it, we'll get it for you.'

We're also the only Territory liquor outlet that keeps our red wines cellared at the correct temperature, and we have more than 12 pallets of beer in a pre-chiller.'

Want to learn more about the various wines and spirits available? Join the friendly team at Cellarbrations Superstore every Friday between 3.30pm and 6.30pm for special wine, beer or spirit tastings.

'Our staff are passionate about liquor and will eagerly share their knowledge to help you get more out of your selection,' Debbie said. 'Helping people celebrate both daily and life's special moments is at the heart of everything we do. We help make any occasion a special one.'
