WORDS NANNETTE HOLLIDAY

Open all year round Cicada provides award-winning excellence in accommodation and dining. Renowned for their total dining experience Cicada is the most awarded restaurant in the Northern Territory with seven Gold Plates since opening in 2014. 'Our chefs' are world-class,' says Hospitality and Operations Manager, Brian Linklater. 'Combining traditional elements and incredible flavours they create a contemporary menu of dishes based on the season.' This year Cicada introduced excellent value, special themed weekend packages especially for locals and their visitors. 'We've had two sellout 'Journey of the Palate' weekends,' says Chief Operating Officer Sveva Falletto. 'These included two nights accommodation, cruise and helicopter tours of the Gorge and amazing world food menus with paired wines sourced by our exclusive wine consultant, Jeremy Oliver, then talks to guests after each course about the wines. Although five-star, they are very relaxed.' Cicada's talented team are now working on their exclusive local Christmas package and more 'Journey' weekends for the Wet Season. 'Nitmiluk is unique in itself, but comes alive in the wet,' continues Sveva. 'With easy vehicle access all year round Cicada is the perfect base to luxuriate in the richness and peace of nature and discover Nitmiluk Gorge, the ancient landscapes and indigenous culture while being treated like royalty by our friendly staff.'
