

DARWIN WATERFRONT

Get Active

PHOTOGRAPHY MARK AND TIM WORDS NANNETTE HOLLIDAY

A mecca for locals and visitors, Darwin's Waterfront Precinct is a hive of activity with something for everyone. Besides the water activities, people can now play beach volleyball and basketball for free on professional quality courts seven days a week.

Play beach volleyball.

If you're an aficionado of basketball or beach volleyball, you'll be delighted with the choice of activity areas at Darwin's Waterfront Precinct where you can meet friends, have fun and get fit. The new full-size volleyball court on the new Recreation Lagoon beach provides a free facility for locals and visitors while also promoting a healthy and active lifestyle. Anyone can play, you don't even have to know each other. That's half the fun! Volley and basketballs are available from the lifeguards on duty from 9am to 6pm daily, or players can bring their own ball. Cradled on the harbourside of historic Stokes Hill Wharf, the Darwin Waterfront Precinct is just a five-minute walk from the city centre, and people spend time here walking, jogging, bike riding, swimming and exercising. The beach volleyball court and new 3X3 basketball court add another option to get active in one of Darwin's most beautiful outdoor areas. These new healthy activities will increase physical fitness around the city. The family-friendly, activity-packed Recreation Lagoon, beach and Wave Lagoon also draw people to the Waterfront Precinct, providing the perfect way to cool off after a good game or two.

Join family and friends for basketball, beach volleyball and swimming in the safe tropical waters of the manmade Recreation Lagoon or Wave Lagoon and more.

The network of walkways, boardwalks and decks allows people to walk, ride or jog between land and water, spanning both the new and historical areas. Soak up the views, find the perfect souvenir or enjoy time-out with friends.

Relax on the lawn with fresh juice, salads and sandwiches from Lime Café.

All the essentials at the Waterfront Minimart.

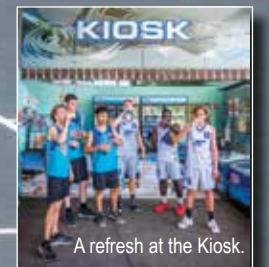

Thirsty Zac will quench your thirst.

A refresh at the Kiosk.

Get fit, play, stay and dine at the Darwin Waterfront Precinct. Enjoy the safest swimming, harbour views and delicious food. The Waterfront is one continuous zone of activity.

Making its debut at the Darwin Waterfront is Australia's first official semi-permanent FIBA 3X3 spec basketball court. Located on the lawns between the Wave Lagoon and the kiosk, the court is free for public use on a casual basis. The CLB3X3 Darwin Branch manages and coordinates the calendar of events and weekly, national and international competitions. You don't have to be an expert to play 3X3. The format is quick with 10-minute games, meaning more people get a run, and it makes for a great spectator sport; perfect for the whole family to enjoy. In between games, enjoy delicious homemade food at Lime Café, refreshing juice, smoothies, bubble tea, acai bowls and fresh desserts from Thirsty Zac, a house-churned gelato or sorbet from Trampoline Gelato. Don't forget essentials such as sunscreen and water, available at Waterfront Mini Mart. The Darwin Waterfront Precinct has something for everyone!
