No Pain, No Gain.

Lychee Martini.

Master of cocktails Jun Young will shake, stir and construct your favourite tippie, or a sensational surprise based on asking you a few questions. Oh, and his Lychee Martini is out of this world, devoid of over-sweetened excess, this is balanced at its best. The quirky wallpaper print will also keep you guessing while you're enjoying the exotic beverage list and delicious food. The Loading Bay is also proving to be the perfect place for parties of 10 to 40 people, with no room hire fee and great food packages created by the talented LMK chefs. Don't forget inside these industrial walls you'll also find LMK's traditional, award-winning Korean taste sensations for either lunch or dinner. They offer a modern take on Korean à la carte and express lunches, and Darwin's only charcoal BBQ. If you haven't hopped on the unique Korean charcoal BBQ trend yet, pop in and check out the stylish tables with built-in BBQs. Staff bring out charcoal, then your desired meats, chicken, seafood and vegetables, and the new version of a crusty cheese plate — a moat-style grill plate with a simmering egg, garlic and cheese combination that slowly cooks into a taste sensation as it turns crispy. It's perfect for dipping and ideal for gluten-free diners. LMK and the Loading Bay are unique Darwin experiences not to be missed. The Loading Bay is open Wed-Sat, 4pm till late. LMK is open for lunch Mon-Fri, 11.30am to 2.30pm, and for dinner Mon-Sat, 5.30pm till late.
