MAKING WOMEN FEEL BEAUTIFUL

RESIDENT LIFESTYLE

Now situated in a much larger store in Star Village in the Darwin CBD, Lulu & Daw offers a unique shopping experience in the Top End. 'Our Wet and Dry Seasons dictate style in the Territory,' co-owner Em says. 'It's either hot and dry or hot and humid, and at Lulu & Daw we deliver beautiful fashion to suit Darwin's unique climate.' Em and Suse began their joint venture to create a boutique that offers both local and visiting women stylish, sophisticated and affordable fashion clothing suitable for tropical living. Their collection includes local and international brand clothing, accessories, gifts and homewares. 'We have expanded and now have everyday basics through to occasional wear, all built on the ethos that fashion should be comfortable and effortless,' Em says. 'Our range is also available online, and we ship nationally and internationally.'
