

PERFECTLY AT HOME

Most people's greatest wish when they retire is to travel, and that's exactly what Herby and Lynda Finke do, splitting their year between Sale and Darwin in their luxury 38-foot Executive Swagman motorhome.

Relax and enjoy the tropical surroundings you can now call home.

WHERE ELSE WOULD YOU FIND THREE SWIMMING POOLS SURROUNDED BY TROPICAL GARDENS, NIGHTLY LIVE MUSIC AND SHOWS, A GREAT BAR, RESTAURANT AND OUTDOOR TERRACE OVERLOOKING THE LAGOON POOL AND WATERFALL.

'This is our 13th trip to Darwin. We always base ourselves at the FreeSpirit Resort. It's a great park and easily outshines any other we've ever stayed at,' said Herby. 'We love Darwin, the dry season and the friendly FreeSpirit team. It becomes our other home.'

'Where else would you find three swimming pools surrounded by tropical gardens, nightly live music and shows, a great bar, restaurant and outdoor terrace overlooking the lagoon pool and waterfall, plus we have a separate bathroom attached to our premium van site. The bus also stops right outside the Resort, making it easy for us to get into Darwin's CBD, Palmerston's Gateway or Casuarina shopping centres. Each year we're finding it harder to leave, but with the family in Sale we have to be content with splitting our time in paradise and the country.'

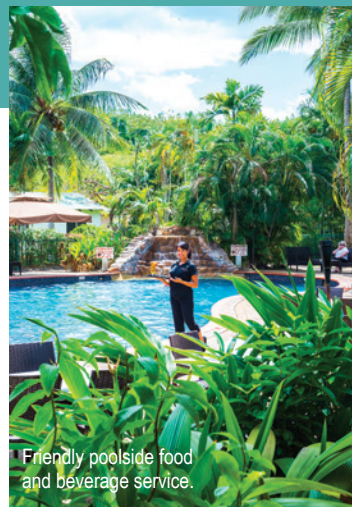

With 28 acres of landscaped tropical gardens and swaying palm trees, Darwin FreeSpirit Resort provides the perfect home away from home for both weary travellers and locals alike.

'Along with the more traditional caravan, RV or motorhome slabs or grass sites, and premium powered sites we have roomy cabins and luxury villas,' said Scott Jones, Darwin FreeSpirit Resort Manager. 'We not only pride ourselves on offering a resort-style park with great sites and accommodation but fantastic facilities that even the locals can enjoy,' adds Scott. 'Our main pool is open to the public provided they purchase food and drinks from us. On Monday nights when adults purchase a main meal the kids eat free, and during the wet season everyone loves relaxing to the free live music on Saturday or Sunday.'
